DC COMING ATTRACTIONS

NUMBER 45 AUGUST, 1980

ALL NEW TEEN TITANS IN PREMIER ISSUE!

The Teen Titans are back to begin an all-new series of adventures with Robin, Kid Flash, and Wonder Girl--plus four new members created especially for the book. Following their "sneak preview" in DC COMICS PRESENTS #26, the New Teen Titans must battle an alien menace to the Earth and protect the lone fugitive they pursue--Starfire, a new Titan!

The first issue also introduces Cyborg--a former athlete whose body is now super-enhanced by machines. Beast Boy joins the team as the Changeling--a youth who can assume the shape of any animal. And then there is Raven--the beautiful enigma!

Writer Marv Wolfman, penciller George Perez, and inker Romeo Tanghal have gone all-out to create these new faces on the comics scene--and an adventure suited uniquely to them.

THE NEW TEEN TITANS #1 goes on sale August 14th with a cover by Perez and Dick Giordano.
